Dear,

We are excited to announce that we are developing a web site for our practice!  
We were recently impressed by your comment on your medical history form regarding "Why have you chosen our office for your dental care?"

**With your permission, we would like to use your comment, in full or in part, on our website. We would use only your first name, unless you would prefer that we do not include a name at all.**

If, for some reason, you are uncomfortable with us including your comment on our website, we will respectfully honor your privacy and wishes.

Please take a moment to fill out the form at the bottom, and return at your earliest convenience. Thank you for your confidence in our expertise in helping you achieve and maintain a healthy smile!

Please **detach here** and return in enclosed envelope

- I give my permission to Dr. Dan Mengedoth's office to include my comment, in full or in part, on their website.
- I give permission to Dr. Dan Mengedoth's office to include my first name with my comment.
- I **do not** wish to have my comment used.
